

Brochure – Cyprus Wedding Planner

Welcome and thank you for considering our company to assist you in one of the most important days of your life. I think you will be pleasantly surprised with the level of customer service you will receive from Cyprus Wedding Planner and the individuality we show to each and every customer.

There are many companies that offer weddings abroad so you might be thinking why should you choose ours? Well hopefully our fully comprehensive website has given you a good insight into what we can offer but this extra information will provide you with the answers to a few more questions you may have.

We are very unique in the service we provide and this will ensure your perfect day is exactly that. Cyprus Wedding Planner does not work like any other company in the UK and the two reasons we took the decision to work like this are simple.

- Stress free arrangements for our customers
- Fixed price to ensure your wedding costs do not run over budget

When speaking to couples that have got married, whether it is abroad or in the UK these are the two major factors that occur in the run up to their wedding.

Stress – Forget it. We will make sure everything runs smoothly; let us deal with any hassles in regards to the planning of your wedding day. We will be communicating with you via the phone (all hours of the day!), by email and even text if need be. Any questions you have we will be there to answer them. No “if you would like to speak to an agent press 1 now” type thing. No being left on hold and not only that, you will be talking to people that have actually got married in exactly the same location you will be getting married at. So you have a first class recommendation!

Fixed Price – Again, this is a major consideration when planning a wedding, with the average one now costing around £15,000. Couples really do need to be careful when costing their dream day. Budgets regularly get broken and again this contributes to stress levels! So with the fixed price that Cyprus Wedding Planner offers, you know exactly how much you will spend from the start.

So where do we start?

On initial contact by yourselves, we have an informal chat about what you are looking for and what we can offer. If you like the sound of that we can send you a Palm Beach Hotel brochure giving you a little more information about this luxury hotel in Larnaca, Cyprus.

After you have thought about your next steps and you are interested in taking things further, you tell us when you are thinking of getting married and we will check the availability. When this has been confirmed you tell us how many people are coming, where they would like to stay, what colour flowers you would like etc, I think you get the picture. We arrange the whole lot for you, whilst you continue your normal life!

What do we then do?

First of all we will book your flights. They will always be scheduled and not charter flights ensuring much more comfort and reliability. The two companies that we normally use are Cyprus Airways and British Airways. At the same time we will be in constant contact with The Palm Beach Hotel ensuring your requirements are met. This can take as long, or as quick as you wish depending on the time span to your wedding. The only thing that will be set in stone will be the date you get married. So make sure you have taken the time to talk to any people that you wish to be there, so they can check their calendars.

What happens when all the arrangements have been made?

A Cyprus Wedding Planner member of staff will travel over to Cyprus with you (if you are travelling from a London airport). If you are travelling from any other airport in the UK, a Cyprus Wedding Planner staff member will be at Larnaca airport ready to welcome you to this fabulous island. They will then travel to The Palm Beach Hotel with you by taxi (20 minute drive) and settle you into the superb hotel.

Then what?

The next day you will meet up with the same CWP person in the hotel and you will get a chance to be shown around. We will show you the important things first, like where you will be getting married, the restaurant and the venue for your reception, but we will also take the time to show you all the other parts of The Palm Beach Hotel and its surrounding areas. We can take a walk up to the beach promenade; take you for a drive to show you local areas of interest or share a spot of lunch in Larnaca town centre (10 minutes drive). The choice is yours.

The paper work

Previous to your wedding a day has to be set aside to ensure all your paperwork is in order with the local authority. We will take you to the necessary government buildings, which are all within a 30 minute drive, and we will be your well needed chaperone for the day. This part of the trip sometimes requires a little patience but it is a vital part of your wedding running smoothly. At the end of this day we can join you in the bar to talk about anything you might want to ask before your big day.

The actual day

When the day finally arrives you will be well prepared, totally relaxed and may even have a little sun tan! You will be able to have a lay in as most ceremonies are later in the afternoon to accommodate the weather, enjoy a nice breakfast and think about the day ahead.

A CWP person will be there at whatever time you wish and run you through the day. They will then stay with you during the whole event, unless you say otherwise to ensure the whole day runs to perfection and meets your high expectations.

If you want your hair done, not a problem, we will get this arranged for you in plenty of time. If you need your nails painted, again not a problem, we can sort this for you as well. We can even organise to have your wedding rings made for you by a very professional local jeweller prior to your wedding!

The actual day (continued)

The ceremony itself usually takes place about 4 o'clock and lasts about 30 minutes. Beforehand your guests can enjoy canapés in the outside gazebo area and wait for the bride and groom to arrive.

During the ceremony the couple will be under a white decorated gazebo in the lawn area of the grounds, and the guests will be seated in rows of white decorated chairs behind the gazebo. The back drop of the ceremony being the beach and Mediterranean Sea. If you choose to get married in the chapel, which is also located within the grounds of the hotel, the couple and all the guests will be in this elegant, well designed building.

After the ceremony, drinks will be served in the outside gazebo area so you can enjoy the atmosphere, take in the sea views and relax! Cake cutting, confetti throwing and lots of enjoyment will also take place during this time.

A professional photographer will be there throughout the day taking formal and informal pictures. These will be delivered to your hotel room within 48 hours.

After the above events, the wedding meal will take place. You will be taken into the restaurant where your table(s) will be formally made up for you. A delicious, three course meal will then follow, not to mention beverages of all kinds. Waitress service will also be centred around the wedding party, so your every need will be catered for. Not to mention the fact a CWP person will still be there to oversee all events.

Only when the wedding party have completed their meals, had speeches (if that is what you decide) and are ready for the next part of your perfect day, will you be shown to your reception venue, the piano bar.

Here people will have the chance to chat, dance, drink and enjoy! You have the choice to have an area inside the piano bar, outside or even both. The view from this bar is a well lit tranquil swimming pool with the noise of the Mediterranean Sea as the background.

After the reception – sleep!

The day after

If you would like this day to yourself, you can. However if you would like to meet up with us at some point during the day this is not a problem.

The honeymoon

This is yours to do with what ever you want. We can make recommendations on places to visit, eat, drink and if you wish join you on an evening out but the choice is totally yours.

Contact during your stay

As soon as you arrive, you will be given a mobile phone with a pre programmed number on it, ours! When ever you need to meet, give us a call and we will be there. Our accommodation is just 15 minutes walk away, or 2 minutes drive, so we will be with you in no time at all.

Your last day

When you have packed up your suitcases, not forgetting your marriage certificate and are ready to go, your taxi will be ready and waiting to take you to the airport. You will then board your scheduled flight back to the UK a happily married couple!

If the information on our website and brochure has interested you and you would like to speak to us, then you have many options on how to do this. Take a look at our contacts page to see which one suits you the best.

We look forward to hearing from you.
Kind regards – Cyprus Wedding Planner
